

2009 Eggs Factor

Welcome to the Griffin Eggs Factor: the ultimate egg pickling Competition. It is the first of it's kind, and promises to be a fabulous event, full of delectable culinary delights. On *April 12th, Easter Sunday*, one and all will congregate in the ever-popular Griffin (home of Milk Street Brewery), to discover and crown the Eggs Factor champion of 2009. A panel of celebrity judges will decide on the proud winner, who will walk away with a golden eggcup, a champion's t-shirt, and no doubt, lots of beer. The day wouldn't be complete without brilliant musicians, and of course a sausage BBQ. All proceeds from the competition will be donated to the Dorothy House charity.

So put your thinking caps on and come up with an interesting, unusual or categorically insane recipe to make the judges' taste buds tingle. ALL completed entry forms and fees to be handed into Griffin by Sunday 15th March.
